Subject: Comments, Questions & Answers from our February 22 web conference on the proposed Dewey-Burdock uranium In-Situ Recovery site
Attachments: EPAConsultationWebconferenceCommentsQuestionsAnswers.docx

Greetings,

The attached document contains the comments I noted during our February 22nd web conference. I also provided answers to questions that came up during our web conference. Please review the document when you have a chance & let me know if I captured the comments correctly. Please feel free to provide additional comments.

Also please let me know if you would like to engage in additional Tribal Consultation before the issuance of the draft permits.

Thank you!

Valois
